Reference: Amended 30 Day Post-General Report (10/19/00-11/27/00) dated 2/22/01

Dear Mrs. Willis:

This letter is in response to your letter of May 15, 2001

In regards to the following:

- I have corrected the memo entries of in kind donations
- I have included the 48 hour notice contribution by the Building & Construction Trades Dept. The error resulted when I was unable to use the software to submit the report and sent a handwritten 48- hour notice. Since it was not on the computer, I overlooked it in error.
- In reference to the two items appearing on the FEC report but no 48-hour notice being filed are as follows: (a) Mr. Frederique Hartog Cust was included on the 48-hour notice and it should have read Jeffrey Rapp instead of Frederique Hartog Cust. Frederique Hartog is the custodian for Jeffrey Rapp. On the FEC report both Jeffrey Rapp and Frederique Hartog Cust are listed as two separate \$1000.00 contributors and only Jeffrey Rapp should have been listed. (b) The entry from the American Medical Association was listed twice and there was only one contribution of \$1000.00. Therefore, the second entry of with the date of October 19, 2000 has been omitted from the amended report. In reference to the difference in dates, the check is dated October 19, 2000 but was received by the committee on November 6, 2000.
- In reference to the missing information in relationship to the contributors who gave over \$200.00, each contributor was sent a letter requesting the information. However, I did not enclose a stamped self-addressed stamped envelope. I have sent each contributor another letter requesting this information with self addressed stamped envelopes and as soon as each is received it will be duly recorded.

Included is a copy of this amended report and all that are affected by these changes. I thank you for your patience and apologize for the errors and inconvenience. I hope that all your inquiries are now satisfied.

Sincerely,

Vera G. Davis
Treasurer
